If you want the most technologically advanced digital piano available today, in an elegant high gloss Grand style cabinet, but are a little short on space, our new Mini-Grande Ensemble is just right for you. Perfectly downsized from our Baby Grande Ensemble, our new Mini Grande maybe small, but packs a wallop when it comes to high performance. Small but stately, it has all the features, power and enhanced sound system of our most intelligent digital pianos.

The new Mini-Grande Ensemble has all the same features of the Baby Grande, including 128 General MIDI sound sampled voices, a big 4mb of stereo sampled Grand Piano sound, 50 rhythms with variation, huge 320x240 LCD display screen, karaoke lyric display, music teaching through MIDI disks, and a powerful 2 way, 4 speaker, 60 watts per channel stereo sound system.

The new HG-450ex is large in every respect, except for size. Its the perfect musical accompaniment to maximize your home environment. Includes matching bench.
