

# SUZUKI HP300ex Composer Ensemble

- Traditional styling enhances any home environment.
- Multiple weighted mechanism
- 128 General Midi Voices with wavetable
- 16 track sequencer
- 3.5" Disk Drive

**THE HP300ex** Composer Ensemble's beautiful traditional styling hides the awesome power that lies within. Family and friends will enjoy its authentic weighted hammer action keyboard, 2-way 4 speaker multi-leveled projection sound system and 21 demo songs. For sheer technological punch, no other acoustic or digital piano in its price class even comes close. Choose from 128 General MIDI with wavetable sampled sounds, 64 note polyphony and 50 rhythms with variations

Playback or record your own compositions with the onboard 16 track sequencer and 3.5" disk drive. The touch responsive keyboard has multiple settings to suit your exact playing style plus many other record, play, effect and control functions give you precise tools to create music your way. Your living room will come alive with the addition of our new HP-300ex Composer Ensemble. Infinitely expandable, your musical talents will continue to grow with a musical instrument that has both beauty and brains

Our new wooden keyed features mechanical hammers, weight placement and pivot points that exactly match the feel, motion and strike of an acoustic grand piano.
