

SUZUKI Digital Piano HP-95

- Elegant styling enhances any home environment.
- 2 finishes available.
- Multiple weighted mechanism
- 64 note polyphony.
- 4mb Grand Piano sample.

THE HP-95 was created with the economics of our HP-85 Digital Piano, but with all features of our more advanced HP-105. The HP 95 is a substantial looking digital piano, yes its simple elegance will enhance any room decor. The rounded top section, multi-function pedal base and key cover fall board combine to give the HP-95 a beautiful appearance at an affordable price point. The keyboard is the same high quality velocity sensitive hammer action used in our most advanced instruments and gives you the most authentic touch and feel of any digital piano in its class.

Upgraded sound memory produces exceptional piano voices and full dynamic tone response. New features include 13 instrument voices, 13 demo songs, 2 track song recorder, tone control, metronome, MIDI in/out/thru and multiple output jacks. Beautiful, versatile and economical HP-95. Step up to a new level of music making fun- right at home.

Our new wooden keybed features mechanical hammers, weight placement and pivot points that exactly match the feel, motion and strike of an acoustic grand piano.
