

SUZUKI Keyman Digital Piano (KM-88)

- 88 note weighted key action.
- Lesson function - Split keyboard option, allowing two 44 note pianos for teaching.
- Stereo Grand Piano 4mb Sample

Keyman features a fully integrated dynamic stereo sound system. At only 32 pounds, Keyman is a versatile home piano that will go or stay anywhere you choose. The unique contemporary cabinet features a built-in handle that allows easy portability or storage. The original furniture stand and bench provide a modern elegance that looks great in any home decor.

A full featured digital piano, Keyman has an 88 note weighted keyboard which features an incredible 64 note polyphony, 13 sampled voices with demo songs and a full 4MB stereo grand piano sound sample.

On board control system uses digital reverb and chorus control with EQ brilliance to enhance overall musical presence. The 2 track recorder will allow you to layer your music and play back while you play live. The built in metronome, lesson function and stereo headphone feature provide undisturbed practice and performance. Keyman includes music rack, pedal and A/C power adapter- everything you need from practice to concert, all at an extremely affordable price.
